Work Experience

Team Member

PIADA Italian Street Food-Houston, TX

August 2025 to Present

I am currently working as a Team Member for Piada Italian Street Food, where my responsibilities are to provide customers with excellent food services: taking orders, assembling piada wraps, salads, and hand-tossed pastas. I am also responsible for checking customers at the register, and maintaining a clean work environment.

Production Team Lead

Aisin ATX-Texas

December 2024 to May 2025

I started as an entry LVL employee and quickly moved up two positions to become a Team Lead for the LB Sub-assembly line. I worked closely with my coworkers, training them and guiding them through struggles. Was a key contributor in making sure the production line functioned smoothly. I managed daily computer and paperwork in a fast-paced environment.

Crew Member

Central Texas RetroFoam-San Antonio, TX

July 2023 to September 2023

I was a part of a four-man crew in the occupation of injecting Retrofoam insulation into people's homes. Included regular maintenance, cleaning, drilling exterior and interior holes, injecting, plugging said holes and patching

Mover/Packer

TWO MEN AND A TRUCK®-San Antonio, TX

May 2022 to March 2023

I was mainly a Laborer moving/packing boxes disassembling/assembling furniture. Used to working long days and tough jobs.

Laborer

Wester and Son Home Services-San Antonio, TX

December 2018 to May 2022

Wester and Son Home Services, a small family owned and operated home service business. I performed various labor tasks to the completion of fencing, siding, and other wood working tasks.

Education

Robotics and Automation (University)

Universal Technical Institute-Houston, TX

August 2025 to Present

High school diploma

Nederland High School-Nederland, TX

August 2014 to June 2018
